

Acme Robotics — Employee Handbook (Sample)

This is a sample document for demonstrating the DocuChat RAG system. Ask the chatbot questions about any of the policies below and it will answer using only this text, citing the passages it used.

Working Hours

Standard working hours are 9:00 AM to 5:00 PM, Monday through Friday. Employees may use flexible hours between 7:00 AM and 7:00 PM as long as core hours of 10:00 AM to 3:00 PM are covered. Remote work is permitted up to three days per week with manager approval.

Paid Time Off

Full-time employees accrue 20 days of paid vacation per year, plus 10 public holidays. Unused vacation of up to 5 days may be carried over into the following year. Sick leave is granted at 10 days per year and does not carry over.

Equipment Policy

Each engineer is issued a laptop and one external monitor. Hardware refresh happens every three years. Lost or damaged equipment must be reported to IT within 48 hours. Personal use of company hardware is permitted within reason.

Expense Reimbursement

Business expenses under 200 dollars may be reimbursed without prior approval by submitting a receipt within 30 days. Expenses above 200 dollars require manager approval in advance. Travel is reimbursed at the economy rate unless flights exceed six hours, in which case premium economy is permitted.

Code of Conduct

All employees are expected to treat colleagues with respect. Harassment of any kind is grounds for termination. Confidential client information must never be shared outside the company. Open-source contributions on company time require written approval from a team lead.
